Who we are

Founded in 1997, AMOENÉ, s.r.o. is a family business developing, manufacturing, assembling and distributing selected cosmetics. We work in four areas:

1. Nail care: acetone-free polishes, strengtheners, cuticle remover, Antifungi silver gel antifungal nail treatment, antibacterial bases, 5-in-1 argan base, nail whiteners, acetone and acetone-free polish removers, gel nail cleansers and removers, base coats, top coats and Miracle Damage Repair nail treatment.

2. Lavosept® disinfection: our own certified Czech disinfectants for hands, feet, instruments and floors, plus professional cleaners for mirrors, windows and sanitary fittings. We have produced quality Czech Lavosept® disinfectants for over 17 years. The range includes skin disinfectants, products for instruments and small surfaces, surface concentrates and universal disinfectants in various fragrances.

3. Small-batch manufacture of lip balms, petroleum jellies and creams is a core part of our business.

4. Private Label: development, manufacture, filling, repacking and certification to each customer's requirements. Amoené can fill powder and viscous products into packaging from 5 ml to 25 000 ml. Tube filling is not available.

Amoené s.r.o. works long-term with Czech National Institute of Public Health specialists, follows Good Manufacturing Practice and is inspected by Czech customs, public health authorities in Nový Jičín and Ostrava, the Financial Administration and others. Products are notified via CPNP or CHLaP, as applicable. Cosmetics have safety reports under Czech/EU law.

Lavosept® Solution

Lavosept® is an alcohol-based solution for hygienic skin disinfection. It contains softening and moisturising ingredients to prevent dryness and irritation. Suitable wherever there is contact with many people: hospitals, medical practices, rehabilitation facilities, beauty salons for manicures, artificial nails, pedicures and tattooing, sports facilities, equipment hire shops, fitness and wellness centres, supermarkets and travel. Lavosept® disinfectant efficacy was assessed by the National Reference Laboratory for Disinfection and Sterilisation at the Centre for Epidemiology and Microbiology, National Institute of Public Health in Prague.

UFI: TC00-U08Y-H00U-FXCG

Variants & sizes:

Unscented, Lemon, Sloe

5 000 ml | 1 000 ml | 500 ml | 500 ml | 200 ml | 50 ml

Ingredients: Per 100 g: 45 g isopropyl alcohol, 30 g ethyl alcohol, fragrance, cinnamal, citronellol, coumarin, eugenol, limonene and linalool.

Private Label:

We can fill this product into your own HDPE packaging, with a custom fragrance and liquid colour.

Lavosept® K Instruments

LAVOSEPT® K is a quaternary ammonium salt and aldehyde disinfectant, supplied as a diluted concentrate for immediate use on surfaces and instruments. It disinfects and cleans washable surfaces and disinfects instruments by immersion, especially in social care, healthcare, service businesses, pedicure, manicure, hair and beauty salons, wellness and fitness centres, where it significantly reduces bacteria. It acts against moulds, yeasts and microorganisms including Pseudomonas aeruginosa, Staphylococcus aureus and Enterococcus hirae. It also leaves a pleasant fragrance without staining. Suitable wherever there is contact with many people: hospitals, medical practices, catering and food production facilities, rehabilitation, beauty salons for manicures, artificial nails, pedicures and tattooing, sports facilities, equipment hire shops, fitness and wellness centres, supermarkets and travel. Lavosept® disinfectant efficacy was assessed by the National Reference Laboratory for Disinfection and Sterilisation at the Centre for Epidemiology and Microbiology, National Institute of Public Health in Prague.

5 000 ml	1 000 ml	500 ml	Spray 500 ml	Spray 200 ml

Ingredients: Per 100 g: 0.6 g benzalkonium chloride and 0.15 g glutaraldehyde.

Private Label:

We can fill this product into your own HDPE packaging, with a custom fragrance and liquid colour.

Shelf life: **24 months**

For professional and home use

Lavosept® K Floor Disinfectant Concentrate

LAVOSEPT® K is a quaternary ammonium salt and aldehyde disinfectant concentrate. Dilute before use (see back label). It disinfects and cleans washable surfaces and disinfects instruments by immersion, especially in social care, healthcare, service businesses, pedicure, manicure, beauty and hair salons and wellness centres, where it significantly reduces bacteria. It acts against moulds, yeasts and microorganisms including Pseudomonas aeruginosa, Staphylococcus aureus and Enterococcus hirae. It leaves a pleasant fragrance without staining. Suitable for floors, work surfaces, sanitary fittings, toilet seats, tools, children's toys, baths, exercise machines, rehabilitation chairs and equipment.
Directions — floors and work surfaces: add 25ml concentrate (2½ capfuls) to 5 l water at 20–25 °C to make a 0.5% solution. Floors and work surfaces do not need rinsing after cleaning. Rinse massage baths, toys and rehabilitation equipment with clean water after disinfection. Do not use undiluted concentrate.

Lavosept® Gold Skin Disinfectant

Lavosept® GOLD Solution is an alcohol-based disinfectant enriched with gold particles, plus softening and moisturising ingredients to prevent skin dryness and irritation. The 200ml spray makes it easy to apply to skin and other surfaces. Gold glitter creates a radiant finish on counters, reception desks, handles and sanitary fittings. For customers who want disinfection with a luxurious appearance. The glitter is non-allergenic and can also enhance the appearance of protective gloves worn when caring for customers. Amoené s.r.o. is the only company in the Czech and Slovak Republics making this fragrant, decorative disinfectant with a 60-month shelf life. Ideal for reception and work counters in beauty, hair, pedicure and manicure salons, private clinics, spas, sanatoriums, medical practices and hotels seeking both presentation and quality. Lavosept® disinfectant efficacy was assessed by the National Reference Laboratory for Disinfection and Sterilisation at the Centre for Epidemiology and Microbiology, National Institute of Public Health in Prague.

A	Bactericidal (Staphylococcus aureus, Escherichia coli, Pseudomonas aeruginosa, Proteus vulgaris)
V	Fungicidal (Candida albicans, Aspergillus niger, Penicillium aurantiogriseum)
B	Virucidal (E. coli bacteriophage phi X 174 and host E. coli)

Mirror Cleaner – Lemon

Our professional mirror cleaner, based on ethyl and isopropyl alcohol, cleans quickly without streaks. Its luxurious lemon fragrance complements an effective formula that adds shine while removing dust, dirt and grease.

The special formula helps surfaces stay shiny for longer and reduces dust build-up. Ideal for polishing taps, drains, door handles, rails, tiles, washbasins, baths and other sanitary fittings.

Directions: spray onto the surface or object, leave for 3–5 seconds, then wipe with a dry cloth. Do not rinse or degrease.

Ingredients:

UFI: X8OO-AOKK-7OOC-TKSE

Isopropyl Alcohol, Aqua, Alcohol Denat., Parfum, Citral, D-Limonene, Linalool.

Variants & sizes:
500 ml with pump

Gel Cleanser

An alcohol-based professional cleanser for removing the sticky dispersion layer after curing compatible UV/LED gels.

Moisten a clean, lint-free pad and wipe gently from the cuticle towards the free edge. Use a fresh pad for each nail and close the bottle after use.

Follow the instructions for the gel, base or top coat in use. Cleanse only when its procedure requires it; no-wipe finishes may need a different approach.

Ingredients:

Isopropyl Alcohol, Aqua, Alcohol Denat., Parfum, Benzyl Benzoate, Coumarin, D-Limonene, Linalool.

Variants & sizes:
1000 ml and 500 ml plastic bottles

Private Label:

We can fill this product into your own HDPE packaging, with a custom fragrance and liquid colour.

Shelf life: **24 months**

For professional and home use

Gel Cleanser EXTRA

Gel Cleanser EXTRA — a professional cleanser for removing the sticky dispersion layer after curing compatible UV/LED gels.

Moisten a clean, lint-free pad and wipe gently from the cuticle towards the free edge. Use a fresh pad for each nail and close the bottle after use.

Follow the instructions for the gel, base or top coat in use. Cleanse only when its procedure requires it; no-wipe finishes may need a different approach.

Ingredients:

Isopropyl Alcohol, Aqua, Alcohol Denat., Parfum, Benzyl Benzoate, Coumarin, D-Limonene, Linalool.

Variants & sizes:
1000 ml and 500 ml plastic bottles

Private Label:

We can fill this product into your own HDPE packaging, with a custom fragrance and liquid colour.

Shelf life: **24 months**

For professional and home use

Alcohol-Based Polish Removers with Castor Oil

A professional polish remover with a balanced formula that removes polish quickly and thoroughly without unnecessarily drying nails or skin. Its blend of effective and caring ingredients also suits sensitive nails.

Ethyl acetate — dissolves nail polish quickly while minimising dryness.
Butyl acetate — supports dissolving and slows evaporation, extending contact time and improving performance.
Castor oil — moisturises nails, supports regeneration and helps maintain a healthy appearance.
Alcohol — contributes to a reliable, clean finish.

The remover cleans while caring for nails and surrounding skin, combining professional performance with gentle care.

ACETON E-FREE

Ingredients:

Ethyl Acetate, Butyl Acetate, Alcohol, Denat, Ricinus Communis Seed Oil, Parfum, Limonene, Linalool

Lavender

Lemon

Mandarin

Vanilla

Variants & sizes:

Shelf life: **24 months**

For professional and home use

2-in-1 Acetone Nail & Gel Polish Remover

A lemon-scented acetone remover for classic nail polish and gel polishes compatible with acetone soak-off removal.

For classic polish, moisten a cotton pad, briefly hold it against the nail and wipe gently. For soak-off gel polish, use the pad or wrap method and contact time specified by the nail system manufacturer. After removal, wash hands and care for nails and cuticles.

Ingredients:

Acetone, Parfum, Citral, D-Limonene.

Variants & sizes:
500 ml and 100 ml plastic bottles

Private Label:

We can fill this product into your own HDPE packaging, with a custom fragrance and liquid colour.

Shelf life: **24 months**

For professional and home use

PROFI Polish Remover

PROFI is a professional remover for classic nail polish, for salon and home use.

Moisten a cotton pad, briefly hold it against the nail and wipe gently. Change the pad as needed to avoid spreading dissolved pigment. After removal, wash and dry hands, then care for nails and cuticles with a cosmetic oil.

Keep the bottle tightly closed between uses.

Ingredients:

Acetone, Parfum, Citral, D-Limonene.

Variants & sizes:
1000 ml, 500 ml and 100 ml plastic bottles

Private Label:

We can fill this product into your own HDPE packaging, with a custom fragrance and liquid colour.

Shelf life: **24 months**

For professional and home use

Vitamin F Nail Polish Remover — Mandarin

Vitamin F Nail Polish Remover — professional nail care.

This highly effective remover quickly removes polish while supporting nail health and regeneration. Ethyl acetate and isopropanol work together for fast polish removal.

ACETON E-FREE

MADE IN EUROPE

Seaweed Cuticle Remover Gel for Hangnails

This gentle, violet-scented gel softens dry excess cuticle for careful pushing back, leaving nails and surrounding skin neat and well groomed.

Apply a small amount directly to the cuticle around a clean nail. Leave for 2–3 minutes, gently push back the softened cuticle, then rinse off thoroughly with water. Use once a week.

Ingredients:

Aqua, Glycerin, Propylene Glycol, Trisodium Phosphate, Carbomer, Laureth-4, Phenoxyethanol, Ethylhexylglycerin, Prunus Amygdalus Dulcis Oil, Parfum, Allantoin, Benzophenone-4, CI 42090, Tocopherol.

Variants & sizes:

12 ml glass bottle, black or cork cap

Private Label:

We can fill this product into our bottles or your own custom packaging.

Shelf life: **24 months**

For professional and home use

Gel Damage - Nail Rescue

Gel Damage Nail Rescue helps nails recover after illness, fatigue or damage from poor-quality gels. It combines AHA, silicon to support metabolism and Tremella Fuciformis extract for hydration, antioxidant care and anti-ageing effects. Vitamin E maintains flexibility and natural moisture. Patented hexanal acts as a hardening agent to improve nail condition. A subtle tint conceals imperfections.

Directions: Apply 1–2 coats to clean, dry nails. Repeat for 3–4 weeks for visible results. Remove with a standard Amoené acetone-free nail polish remover.

Ingredients:

Butyl Acetate, Ethyl Acetate, Nitrocellulose, Adipic Acid/Neopentyl Glycol/Trimellitic Ahydride Copolymer, Acetyl Tributyl Citrate, Isopropyl Alcohol, Acrylates Copolymer, Stearalkonium Bentonite, N-Butyl Alcohol, Silica, Benzophenone-1, Diacetone Alcohol, Tocopheryl Acetate, Dimethyl Oxobenzo Dioxasilane, Hexanal, Helianthus Annuus Seed Oil, Glycolic Acid, Phosphoric Acid Aqua, Tremella Fuciformis Extract, Tocopherol, CI 77891, CI 77491, CI 77499

Variants & packaging:
11 ml glass bottle, black or cork cap

Private Label:

We can fill this product into our standard or your custom packaging.

Shelf life: **24 months**

For professional and home use

5-in-1 Argan Nail Strengthener

5-in-1 Nail Strengthener with Argan Oil provides intensive, multifunctional care for natural nails. It fills ridges and smooths the surface (NO LINES), strengthens and moisturises with vitamins, and works as both a base coat and top coat. It extends polish wear, adds shine and protects nails with a UV filter. Argan oil nourishes like an oil bath, supporting healthy-looking, well-groomed nails.

Ingredients:

Ethyl acetate, Butyl acetate, Nitrocellulose, Adipic acid/neopentyl glycol/trimellitic anhydride copolymer, Isopropyl alcohol, Acetyl tributyl citrate, Benzophenone-3, Trimethylpentanediyl dibenzoate, Hexanal, Polyvinyl butyral, Argania spinosa kernel oil, Tocopheryl acetate, Calcium pantothenate, Retinyl palmitate, Helianthus annuus seed oil, CI 60725, Tocopherol

Variants & packaging:
12 ml glass bottle, black or cork cap

Private Label:

We can fill this product into our standard or your custom packaging.

Shelf life: **24 months**

For professional and home use

Antifungi Silver Antifungal Nail Polish

This special gel polish contains antioxidants, vitamins E and B5, whitening ingredients and antimicrobial agents, including silver and benzalkonium chloride. It helps protect nails against fungal infections, strengthens, moisturises and improves their appearance. Lemon and algae extracts support a bright, healthy look. Wear alone to conceal imperfections; it dries quickly. Apply 1–2 coats to clean nails. For treatment, apply twice a week; for prevention, once a month.

Ingredients:

Butyl Acetate, Ethyl Acetate, Nitrocellulose, Acetyl Tributyl Citrate, Adipic Acid/Neopentyl Glycol/Trimellitic Anhydride Copolymer, Isopropyl Alcohol, Acrylates Copolymer, Stearalkonium Bentonite, Alcohol Denat., Styrene/Acrylates Copolymer, CI 77891, Benzophenone-1, MICA, Titanium Dioxide (Nano), Tocopheryl Acetate, Benzalkonium Chloride, Trimethylpentanediyl Dibenzoate, Propylene Glycol, Polyvinyl Butyral, Aqua, Algae Extract, Mannitol, Polysilicone-6, Tin Oxide, Citrus Limon Fruit Extract, Calcium Pantothenate, Diatomaceous Earth, Silica, CI 60725, Zinc Sulfate, CI 77820

Variants & packaging:
12 ml glass bottle, black or cork cap

Private Label:

We can fill this product into our standard or your custom packaging.

Shelf life: **24 months**

For professional and home use

Restorative Nail & Cuticle Oil

Restorative Nail & Cuticle Oil is designed for dry, brittle and damaged nails. Vitamin E moisturises, nourishes and strengthens even severely weakened nails. It softens the skin, spreads easily and feels pleasant. Free from synthetic colourants, fragrances, silicones and preservatives. Apply to clean nails and the surrounding skin, leave for at least 10 seconds, then gently massage in. Degrease nails before applying polish.

Ingredients:

Olea Europaea Fruit Oil, Persea Gratissima Oil, Triticum Vulgare Germ Oil, Ricinus Communis Seed Oil, Tocopheryl Acetate, Ethylhexylglycerin, Phenethyl Alcohol, Cymbopogon Winterianus Herb Oil, Melissa Officinalis Leaf Oil, Citral, Citronellol, Eugenol, Geraniol, Limonene, Linalool

Orange Moisturising Hand Cream

Orange Moisturising Hand Cream cares for dry hands and the skin around the nails. Rich in avocado, argan, olive, almond and coconut oils, plus shea butter, it helps moisturise the skin. It spreads easily, absorbs quickly and has a delicate, pleasant orange scent. The new packaging allows efficient, hygienic use of the full contents without product left on the walls. Developed and made by Amoené and tested by the Czech National Institute of Public Health.

Ingredients:

Aqua, Butyrospermum Parkii Butter, Ceteareth-6 Olivate, Tocopheryl Acetate, Persea Gratissima Oil, Argania Spinosa Kernel Oil, Olea Europaea Fruit Oil, Prunus Amygdalus Dulcis Oil, Citrus Aurantium Dulcis Peel Oil, Phenoxyethanol, Ethylhexylglycerin, Cocos Nucifera Oil, Xanthan Gum, Sodium Sulfate, Sodium Chloride, CI 15985, CI 16255, CI 19140, CI 45430.

Lemon Balm Facial Toner

This multifunctional lemon balm facial toner combines hydrophilic babassu oil and lemon balm floral water. Oil from the Brazilian babassu palm gently removes make-up without drying the skin. Its lauric acid provides antimicrobial action, leaving skin supple and radiant without a greasy film. Lemon balm floral water moisturises, slows skin ageing, targets wrinkles, improves elasticity and has healing and antiseptic properties. It protects against environmental pollutants, smells pleasant and promotes well-being. Suitable for all skin types, especially dry and sensitive skin.

Ingredients:

Aqua, Babassu Oil Polyglyceryl-4 Esters, Melissa Officinalis Extract, Panthenol, Glycerin, Phenethyl Alcohol, Ethylhexylglycerin, Tetrasodium EDTA, Citral

Variants & packaging:
200 ml and 50 ml bottles

Private Label:

We can fill this product into our standard or your custom packaging.

Shelf life: **24 months**

For professional and home use

Apricot Make-Up Remover

Apricot Cleansing & Hydrating Make-Up Remover gently removes make-up and impurities without drying the skin, while providing deep hydration. Babassu oil cleanses gently and its high lauric acid content provides antimicrobial action. Its delicate apricot scent delights from the first use. Ideal for morning and evening, it suits all skin types, including sensitive skin.

Directions: Apply to a cotton pad and cleanse the face as usual. Rinse with warm water after cleansing if desired. Store in a cool, dry place at 5–25 °C.

Ingredients:

Aqua, Babassu Oil, Polyglyceryl-4 Esters, Panthenol, Glycerin, Phenethyl Alcohol, Ethylhexylglycerin, Tetrasodium EDTA, Parfum

Variants & packaging:
200 ml and 50 ml bottles

Private Label:

We can fill this product into our standard or your custom packaging.

Shelf life: **24 months**

For professional and home use

Apricot Facial Cleansing Soap

Many people with sensitive skin avoid conventional soap for fear of dryness. Apricot Facial Cleansing Soap takes a different approach: a rinse-off cleansing cream that respects the skin's hydrolipidic barrier.

Its base uses gentle sugar-derived ingredients rather than harsh surfactants. They attract and remove dust, sebum and make-up residue effectively yet gently, without disrupting the skin's natural pH. Skin feels thoroughly clean, calm and comfortable, without unpleasant tightness.

Ingredients:

Aqua, Coco-Glucoside, Sodium Coco-Sulfate, Glycerin, Glyceryl Stearate Citrate, Prunus Amygdalus Dulcis Oil, Aloe Barbadensis Leaf Juice, Butyrospermum Parkii Butter, Glyceryl Stearate, Benzyl Alcohol, Dehydroacetic Acid, Xanthan Gum, Citric Acid, Sodium Benzoate, Potassium Sorbate, Panthenol, Tocopherol, Parfum, Hexamethylindanopyran

Variants & packaging:
200 ml

Private Label:

Shelf life: **24 months**

For professional and home use

Delicate Intimate Wash

Delicate Intimate Wash provides gentle daily care for sensitive areas. It moisturises intensely, cleanses gently, respects and restores the natural pH and keeps the skin microbiome balanced. Suitable for men and women, its subtle fragrance and formula support intimate comfort and health. Apply a small amount, wash gently and rinse thoroughly.

Ingredients:

Aqua, Sodium Coco-Sulfate, Coco-Betaine, Aloe Barbadensis Leaf Juice, Sodium Chloride, Sodium Cocoamphoacetate, Cocamidopropyl Betaine, Sodium Methyl Cocoyl Taurate, Sodium Cocoyl Isethionate, Glycerin, Lauryl Glucoside, Sodium Cocoyl Glutamate, Sodium Lauryl Glucose Carboxylate, Citric Acid, Sodium Benzoate, Potassium Sorbate, Alcohol, Vitex Agnus Castus Extract, Lactic Acid, Parfum

Variants & packaging:
200 ml and 50 ml bottles

Private Label:

Shelf life: **24 months**

For professional and home use

Vegan Argan Elixir

Argan oil is one of the most precious natural oils, exceptionally rich in essential fatty acids, tocopherols, squalene, vitamins E, A and F and other skin-beneficial substances. Vitamin E is a powerful antioxidant that protects skin against inflammation and the harmful effects of UV radiation. Its light texture absorbs quickly without a greasy film and supports collagen and elastin production, making it ideal for ageing skin. It deeply nourishes, moisturises and regulates sebum. Suitable for all skin types, it also gives nails and hair strength and shine.

Directions: Apply a small amount to the skin, nails or hair and gently massage in circular motions. Allow to absorb.

Ingredients:

Argania Spinosa Kernel Oil, Prunus Amygdalus Dulcis Oil, Parfum, Tocopheryl Acetate, Citronellol, Hexyl Cinnamal, Limonene, Linalool.

Variants & packaging:

Unscented · Black Grape & Kiwi

Black 15 ml glass bottle with dropper

Bakuchiol Facial Serum – Anti-Ageing Dry Oil

An anhydrous facial serum with a lightweight squalane base, bakuchiol, rosehip, argan oil, vitamin E and coenzyme Q10. It softens the skin and provides a matte finish for daily care and use as a make-up base.

Directions: Apply a small amount to clean, dry skin, ideally a few drops. Spread gently over the face and allow to absorb before applying make-up. Suitable for mature, normal, combination, dry and acne-prone skin.

Ingredients:

Squalane, Rosa Canina Seed Extract, Argania Spinosa Kernel Oil, Tocopheryl Acetate, Bakuchiol, Rosmarinus Officinalis Leaf Extract, Carthamus Tinctorius Seed Oil, Spilanthes Acmella Flower/Leaf/Stem Extract, Astragalus Membranaceus Root Extract, Ubiquinone, Tocopherol, Parfum

Amoené Beta-Glucan Lip Balm

Our exclusive lip balm combines pure pleuran (β-1,3/1,6-D-glucan) from oyster mushrooms with plant waxes and oils for soft, healthy lips. Beta-glucan activates skin immunity, protects against pollution, UV radiation and stress, and has a strong anti-ageing antioxidant effect. It supports regeneration, accelerates healing and collagen formation, and firms the lips. It also provides intensive hydration down to the dermis, helping eliminate dryness and microcracks.

Ingredients:

Cera Alba, Butyrospermum Parkii Butter, Argania Spinosa Kernel Oil, Ricinus Communis Seed Oil, Persea Gratissima Oil, Cocos Nucifera Oil, Tocopheryl Acetate, Rosa Canina Seed Extract, Beta-Glucan, Aroma, Bakuchiol, Rosmarinus Officinalis Leaf Extract.

Freudova Terapie

Amoené s.r.o. is based in a building over 400 years old on Freudova Street, directly opposite Sigmund Freud's birthplace. The Freud family probably used traditional herbs from their garden, including lemon balm, valued for its regenerating effects on lips, skin and nails.

More than ten years ago, Amoené s.r.o. registered the Freudova terapie® trademark. It now introduces a lemon balm skincare range under this name, inspired by natural care and the historic heritage of this location.

For Pets

Veterinary Balm for Pets

Amoénka regenerating lemon balm pet balm protects and cares for dogs, cats, small rodents and other pets. Apply to sensitive or stressed areas such as paw pads, between the toes, the nose, dry patches on the ears or around the nipples. It helps moisturise and restore cracked, dry, flaky or damaged skin, supports recovery after burns and helps scars heal. Its natural formula nourishes and soothes while forming a fine protective film against road salt, asphalt and other dirt.

Directions: Apply to dry skin with clean hands, cotton buds or pads. Do not apply to mucous membranes. Store in a dark, dry place below 20 °C. The product is sensitive to heat and may be kept cool. Keep out of sight and reach of children. For animals only.

Private Label

Our Private Label division develops and manufactures products to customer requirements. It also processes semi-finished products and provides filling, inkjet coding and labelling for a wide range of cosmetics, disinfectants, detergents and other chemical mixtures, whether made by Amoené or sourced from suppliers. With production largely based on manual processes, it is ideal for promotional products and small batches.

Amoené also supports regulatory label reviews, required documentation and product notifications. This includes assistance with relevant Czech authorities and the Cosmetic Products Notification Portal (CPNP). The company helps with the steps required to place and distribute cosmetic and disinfectant products on the market.
